

Union Thanksgiving Service Planned For Pahokee Wednesday Night, Nov. 21

"Thanksgiving Day - 1945" is the title of the sermon that will be preached Wednesday night at 7:30 by the Rev. C. A. Moberg, pastor of the First Baptist Church, Pahokee. This service, an annual event, will be conducted this year in the First Methodist Church of Pahokee, Rev. T. A. Ferguson, host pastor.

The program will be arranged by the Rev. C. R. Moore, pastor of the First Nazarene Church of Pahokee. Rev. J. M. Gresham, pastor of the Church of God, Pahokee, will lead in the invocation. A musical program in keeping with the occasion, will be presented. It is hoped that Pahokee will

exhibit its feeling of thankfulness by setting aside this one hour for public worship in the House of God commensurate with the proclamation of our President.

Many respects this is the greatest Thanksgiving Day in the glorious history of our God-blessed nation. We, as a people, have more for which to be thankful than we ever have had. It is ours so to show our sincere heart-felt, soul-deep gratitude to the Lord that subsequent generations will bear witness to the fullness of our keen appreciation. As is our custom, an offering will be received for The Children's Home Society of Florida.

Blue Devils Go To Dania Tonite For Gridiron Contest

The Pahokee Blue Devils are scheduled to play another out-of-town game tonight, again going to the East Coast this time to play the South Broward Bulldogs of Dania. The Bulldogs this year have one of the best teams in the history of their school.

Dania held the Belle Glade Rams to a 6-0 tie last week and are expected to give the Blue Devils plenty of trouble. Coach Clyde Alley is slowly getting his squad back in shape after attacks of the flu had half of his men ailing during the past three weeks. They still, however, are not in top form for the contest tonight.

The Blue Devils managed to hold the Stuart Tigers to a scoreless tie at Stuart, last Friday night. The contest was played in a drizzling rain with neither team able to get far with the slippery ball. Two Blue Devil drives, sparked by Dickson and Connell, threatened the Tigers' goal line but petered out before reaching pay dirt.

Funeral Services For Porte F. Quinn

Funeral services were held Tuesday afternoon at the Mizell-Simon Chapel for Porte F. Quinn, 65, who died at his home in West Palm Beach Sunday night. Burial was made in Woodlawn cemetery. He was the father of Mrs. R. G. Johnson, Jr., of Pahokee.

Born Feb. 17, 1880, in Vinton, Iowa, Mr. Quinn married Miss Helene Salsbury there Oct. 31, 1899. He was a banker in Vinton until and first came to Florida in 1910 to be associated with Thompson & Jackson, owners of large land tracts in the State. In 1921, when he and his family moved here from Iowa, Mr. Quinn went into business for himself and was active in the development of numerous land projects.

He was a member of the Presbyterian Church and the Masonic Lodge in Vinton and of the Shrine Elks, and State Realtors Association here.

Besides his wife, Mr. Quinn is survived by three daughters, Mrs. W. Lamar Parker, Columbus, Ga.; Mrs. Richard G. Johnson, Jr., Pahokee; and Mrs. Frederick R. Guenther, Palm Beach; five grandchildren, Margaret and William Parker and Richard, Porte and Catharine Johnson; three brothers, Richard and Guy Quinn, Vinton, and Clarence Quinn, Big Spring, Texas.

Funeral services will be held Tuesday afternoon at 4 at the Mizell-Simon Chapel followed by burial at Woodlawn Cemetery.

THREE ROTARY CLUBS TO STAGE MEETING

Friday, November 30, will be a red letter day in Rotary in the Glades. The West Palm Beach club is to come out in full force for a meeting with the Belle Glade club and the Pahokee club will go to Belle Glade 100 per cent. At yesterday's meeting Belle Glade Rotarian Guy Bender extended an invitation to the Pahokee club to join in the big meeting. By unanimous vote the club assented.

Louzy Beans, High Picking Prices Put Bean Deal In Mess

A combination of water-logged beans and high picking prices have put the Lake Okechobee bean deal in a state of chaos this week. The majority of the beans are being taken by the cannery with only a handful of cars being shipped to northern markets.

Growers have been paying premium prices to pick beans which have been bringing low prices throughout the week. All kinds of picking prices have prevailed in the Pahokee and Canal Point section with the colored bean pickers garnering more in a day than they made at pre-war wages in a week. All the way from 60 c per hamper to \$1.00 has been paid this week. Wednesday morning in Pahokee growers were offering (in one instance) 75c for the pickers to get on their trucks with an additional 25c for each hamper picked.

With beans going to the canners at \$1.60 to \$1.65 on Tuesday of this week there was little left for the grower after he paid the fancy picking prices. One colored family on Monday of this week picked 101 hampers of beans for a total of \$60.80. That's more cash money than a negro family in Georgia used to make off of a cotton crop.

Beans in this area are suffering a lot from rust and thousands of acres have been nearly ruined by high winds of the past several days. It will be several days before many No. 1 beans are ready for the market.

Two Are Accepted In Business Circle

Mrs. Thurmond W. Knight and Mrs. Head were received as new members of the Business Women's Club, Pahokee Baptist WNU at a meeting at the home of Mrs. Bill Kincaid on Tuesday night.

Mrs. W. M. DuBose, in the absence of Mrs. Homer Barnes, program chairman, presented a program on "Work of the Foreign Missionaries." She was assisted by Mrs. C. A. Moberg, Mrs. Raymond Caruthers, Mrs. Wiley Tillis, Mrs. Willie Kemp, Mrs. R. S. Douthett and Mrs. Parker. Mrs. Ralph Grimes was in charge of the devotional program. A Christmas party was planned for Dec. 11.

Mr. and Mrs. John S. Harrington, Port Mayaca, had as guests the past week their son-in-law and daughter, Pfc. and Mrs. Kenneth E. Cooksey of Buckley Field, Colo., and Glenn Cooksey, seaman 1-c, of Key West. Also guests of the Harringtons over the weekend were Lt. John Harrison, Lt. Rex Hill and Lt. Harold Hill, AAF officers now stationed at Drew Field who are friends of Mr. and Mrs. Harrington's son, Lt. John S. Harrington, Jr.

Mr. and Mrs. Claude Shirley are spending two weeks on business in Continental, Ohio.

Community Thanksgiving Candlelight Service For Canal Point Is Planned

An impressive and inspirational service is being arranged for all people of Canal Point for Thanksgiving, November 22. It will be a candlelight service in the Baptist Church at six o'clock Thanksgiving morning. Everyone is invited and urged to attend. Men who must work that day will find this hour a wonderful time to "seek God in the morning" and "go with Him through the day." It is hoped that the men who must work that day will come right on out and worship with us. Come in your working clothes if you must, and go to the field and shop directly from the services.

Rev. J. R. Heller of the Baptist

Church is in charge of the program this year and he will speak on "The Pathway to the Pioneer!" It is his desire that the community turn out in goodly numbers. The first Thanksgiving was a community affair. May this Thanksgiving be observed in keeping with the first when we gather as a community to worship God with our hymns and prayers of gratitude.

The program being arranged is of such a nature that it will be most impressive only by beginning on time. Be prompt on Thanksgiving morning and come out to the Church at six o'clock to join in a fine service of praise and Thanksgiving.

Elks Official Pays WPB Lodge A Visit

District Deputy Grand Exalted Ruler E. Elliott, of Pahokee, paid an official visit to the West Palm Beach Elks Lodge on Wednesday night of this week. Mr. Elliott is finishing a tour of the state's Elks lodges and during the past few weeks has been appearing in various lodges throughout South Florida.

Mr. Elliott, a former member of the West Palm Beach lodge and a charter member and past exalted ruler of the Pahokee lodge, spoke on "The Principles of Elksdom" and "What the Grand Lodge Does." He cited college scholarships, the Elks home for the aged at Bedford, Va., the crippled children's home at Umattila, and work being done by the war committee for returning veterans.

Sports Program By Pahokee PTA Is Delayed By Rain

The Pahokee Parent-Teacher Association was forced to postpone its big "panorama of Sports" program scheduled to be held on Lair Field last Monday evening. It rained most of the day and threatened to rain Monday evening so the program directors decided to call it off until a later date which will be announced.

PTA members met in the high school auditorium for the December business session. Mrs. A. R. Chastain, Mrs. C. A. Shive, Mrs. Pat Schoepel and Mrs. G. W. Byrd were named on a committee to make arrangements for the purchase of a new cooking stove for the cafeteria, the purchase to be made with PTA and cafeteria funds on a 50-50 basis. The sum of \$50 was allotted to cover the expense of showing educational motion pictures at the school during the coming year. It was voted to reduce the price of milk drinks at the cafeteria from six cents to five cents.

The monthly attendance awards were won by Mrs. Richard Heller's first grade room at the elementary school and by the ninth grade at the high school.

In an impromptu musical program, barn dance selections were played by Mrs. Tyson, guitarist, and Mr. Collier, violinist. A surprise feature was the playing of the guitar by Principal D. D. Caudill while President Carl A. Moberg led the faculty in the singing of some old time favorites. Rev. Moberg also played some piano selections.

Talton Joyce, who recently became a member of the State Highway Patrol, spent a few hours in Pahokee last week visiting and relatives.

Conners Highway Work Will Start In 15 To 20 Days

Work of rebuilding Palm Beach Road—Conners highway 5.4 miles east from Canal Point will be started within "15 or 20 days" according to John A. Benton of St. Petersburg, successful bidder on the job.

Mr. Benton was in Canal Point on Wednesday of this week where he was making living arrangements for his men who are to come here on the job. He will have in the neighborhood of 30 men and living accommodations must be arranged before the job can be started.

Mr. Benton said. While here Mr. Benton conferred with County Commissioner Paul Rardin in regard to rock from the county rock pit for shoulders on the road. Several weeks ago Mr. Rardin announced that the state could use rock from the local pit if it would expedite rebuilding of the road. When it was decided that such a plan would be satisfactory to all concerned, the contract was immediately let in Tallahassee. Rock for rebuilding the base will be shipped to Canal Point.

CHARLES SINGLETARY VISITS PARENTS

Pvt. Charles Singletary, who has been stationed at Ft. McClellan, Ala., is in Canal Point visiting his parents, Mr. and Mrs. Ray Singletary. He will report Nov. 20 to Camp Pickett, Virginia.

Schroder Is Head New Glades IOOF

R. J. Schroder of Pahokee was chosen noble grand of the recently instituted IOOF Lodge at Belle Glade when a delegation of more than 200 from surrounding lodges attended ceremonies in connection with installation of officers.

Officers installed by District Deputy Grand Master L. E. Burgess and his staff were R. J. Schroder of Pahokee, noble grand; Ray Whitlock, vice grand; A. L. Wallis, financial secretary; E. H. Browning, recording secretary; A. Q. E. Kirchman, treasurer; A. Q. Howell and E. D. Barbee, supporters to noble grand; J. K. Baker, chaplain; Vernon Jones, warden; H. S. Burns, conductor; J. G. Parrish, scene setter; Dale Mobley and Robert Rashley, guards.

Mrs. Pauline Mayers of Marietta, Pa., is spending a few weeks in Pahokee visiting her mother and sister-in-law, Mr. and Mrs. A. C. (Tony) Libhart, and niece, Sunny Libhart.

Refuse To Work

All over the country the United States employment service offices are making the same report—refusal of many unemployed persons to take jobs offered because the pay does not measure up to earnings they gained in extraordinary employment brought on by the war. Simply, men who worked in shipyards, many of them converted from ordinary laborers to skilled workers under pressure of wartime need, and paid big wages even while learning and unusually high wages thereafter, are unwilling to accept jobs at from 60 cents to \$1 an hour offered for labor on farms and in industry.

The general story is that also of the United States employment service office in Bradenton. Men who performed farm and grove labor before the war and are badly needed in that work now, refuse to accept the wage—much higher for this class of workers than it was in 1940. They prefer to remain idle and spend their wartime savings.

Reference to records at the Bradenton office shows that more jobs are offered than there are applications for jobs. Of course, many jobs are for special skills and only those having such skill can fill them. But a good many men now idle would be earning good wages right along if they could be persuaded that it is a more sensible thing to be in gainful occupation at reasonable pay than to indulge in a foolish hope that wartime wages and jobs are coming back and that one is warranted to wait for the return.—Bradenton Herald.

An Area Develops Commensurate With Its Road System, Service Man Believes

BORDEN GENERAL HOSPITAL
Chickasha, Oklahoma
October 19, 1945

Paul Rardin, Editor
The Everglades News
Canal Point, Florida
Dear Mr. Rardin:

I would like at this time to congratulate you upon the outstanding work that you are and have been doing in Palm Beach County. A debt of gratitude has been incurred by the people of the Glades for this progressive, and I might add "aggressive", work performed by you in the recent past. No doubt, obstacles seemingly unsurmountable have been confronted, but results show they have been coped with admirably.

Records indicate that an area develops commensurate with the road system and I am sure the very bright future of the Glades, with all of its resources, can be expeditiously developed by a good road plan or, on the other hand, progress may be retarded by lethargic action.

Recently, while in South Dakota, I had reason to travel over a large part of the rural district and was surprised at the vast network of country roads. Each section is bounded by four well-kept roads and many of these sections

are entirely pasture land. Now, if a large state as South Dakota, with a comparatively small population of about 643,000, can afford such roads, I am sure, with proper action, legislation can be effected with the result a few years hence, a good farm road network for the Glades.

The program outlined in a recent edition of The Everglades News sounded very good, to say the least. No doubt, this road expansion would enhance the value of farmland in the Glades more than enough to off-set the cost of building said roads; not to mention the thousands of dollars that would be saved by reduction in haulage each season.

I have enjoyed every edition of The Everglades News that I have received and, by this medium, have kept in touch with local operations.

Am looking forward to fishing with rubber bands, as you have elaborated upon in your column—confidentially, there always has been a doubt in my mind whether or not the "ruse" will work.

Hoping this finds you in good health and with some road contracts "let". I remain

Very truly yours,
Joe T. Boynton
2d Lt. MAC

EXCHANGES

FIRST COME, FIRST SERVED

Up in Alaska there was a driving need for airfields. The late General Buckner got there a fortnight after the Japs bombed Pearl Harbor. He drove his construction crews hard, and they had fields ready in record time—but no planes arrived.

Finally, the crusty general, whose sense of humor saved many a touchy situation, wired Washington headquarters: "The fields are completed for landing — for American and Jap planes, which ever come first."

Washington sent the planes in a hurry.—Chicago Sun.

Prize Stalk Sugar Cane Is On Display

H. G. McGourik from Sand Cut brought in a prize stalk of cane yesterday. He grew it on Sam Chastain's land near his grocery store and it measured 15 feet and six inches in height. Mr. Mac said that the stalk of cane was only eight months old and had never bloomed—therefore, it would have grown to a much greater height had he not cut it. There were 35 joints—which contains a lot of good chewing for the lucky person who becomes the final owner of the prize stalk.

Bids Received On 3 Mowing Machines

County Commissioners on Monday received bids on three mowing machines to take care of road shoulders. The bids were turned over to the county engineer for compilation and recommendation. Four concerns bid on the machines and purchase will be made at today's meeting of the board.

Hospital Board Members Named

Gov. Caldwell last week named Herbert D. Beck, Belle Glade; Sam Chastain, Pahokee; M. D. Geiger, Canal Point; E. R. Mackey, Lake Harbor, and V. C. Denton, Pahokee to the Western Palm Beach County Public Hospital District, which operates the hospital at Pahokee. Other members of the board are: Rupert Mock, Pahokee; G. R. Townsend, Belle Glade; Mrs. Ruth Wedgworth, Belle Glade; George Royal, Belle Glade.

IN THE CIRCUIT COURT OF THE 15TH JUDICIAL CIRCUIT OF FLORIDA, IN AND FOR PALM BEACH COUNTY.

CHANCERY NO. 20,904
MINNIE SUTTLER,
Plaintiff,

-vs-
LOISTER SUTTLER,
Defendant.

NOTICE TO APPEAR
TO LOISTER SUTTLER, RESIDENCE
C-O MRS. LOUISE LANNING, RFD
NO. 5, BOX 26, HENDERSONVILLE,
NORTH CAROLINA.

You are hereby required to appear in the above Court on the 5th day of December, A. D. 1945, at the Court House in West Palm Beach, Palm Beach County, Florida, to answer to the Bill of Complaint for Divorce filed against Everglades News, a newspaper regularly published in Palm Beach County, newspaper in which this Order shall be published once each week for four consecutive weekly issues.

DONE AND ORDERED at West Palm Beach, Palm Beach County, Florida, this 22nd day of October, A. D. 1945.
(Circuit Court Seal)

J. Alex Arnette, Clerk of
Circuit Court Palm Beach
County, Florida.

Deputy Clerk

Thaddie Whidden
Attorney for Plaintiff
Pahokee, Florida
Pub. Nov. 2, 9, 16, 23, 1945.

Insurance Should Be Investigated

J. Edwin Larson, State Treasurer and Insurance Commissioner, is launching a campaign designed to inform the citizens of Florida regarding the risk they are assuming in purchasing insurance from companies which are not licensed to do business in Florida. The Commissioner points out mainly that suit against non-admitted companies cannot be maintained in the Courts of Florida; that these companies pay no tax in Florida; and that many of the contracts issued are very much limited in the protection offered.

Larson said, "These companies operate through the mail and over radio and the only way to protect our people is through some publicity on the subject. I receive a great many complaints about these companies."

CLASSIFIED ADS SHOULD BE PAID FOR IN ADVANCE

Users of classified advertising in The Everglades News, unless they are regular advertisers, are required to pay for them at the time the copy is turned in for publication. Nor can we accept classified ads over the phone. We cannot afford to open an account on books to charge 50 cent classified ads, it is simply too much bookkeeping for the amount involved. We require cash in advance for all classified advertising and the minimum charge is 50 cents.

PAHOKEE BAPTIST CHURCH

The newly organized 40 voice adult choir will sing this Sunday morning at the First Baptist Church of Pahokee, under the direction of the pastor, Rev. C. A. Moberg. The selections will be "Calling the Prodigal" (Gabriel). The sermon, "Prodigality" will have in it the answer to the question, "Does God save for keeps?" The Ladies' Quartet will sing "God Will Take Care of You" (Martin). At the evening service at 7:30, the pastor will preach on "Global Good News." The Class Quartet will favor with two selections. The newly organized all voice choir of some fifty will sing. The Illuminated Cross Meditation Sing will be presented with the pastor at the piano.

Barge Service Is Being Investigated

An Eastern firm has had engineers working, it is reported on tentative plans for inaugurating a refrigerated barge service capable of carrying 10,000 boxes of oranges per trip between Sanford, Fla., and New York. Four to eight Great Lakes-type vessels, capable of making the trip in two weeks, could be detained at port dock for unloading as market demand assured good prices, are at the command of the company. It is planned to have a 12-weeks operation, which if successful will be converted into a permanent set up.

IN THE CIRCUIT COURT FIFTEENTH JUDICIAL CIRCUIT, COUNTY OF PALM BEACH, STATE OF FLORIDA

CHANCERY NO. 20,934
JAMES I. SLATE,
Plaintiff,

-vs-
AGNES Z. SLATE,
Defendant.

NOTICE TO APPEAR
In the name of the State of Florida to AGNES Z. SLATE, 2436 South Third Street, St. Louis, Missouri: It is hereby ordered that you appear to the Bill of Complaint for divorce brought against you in the above styled cause and you are hereby required to file with the Clerk of said Court your written appearance (personally or by attorney) in said suit on the 10th day of December, A. D. 1945, and thereafter defend against you in the above styled cause, if any, to the bill of complaint in said suit at the time prescribed by law. Herein fail not or judgment will be entered against you by default.

The Everglades News is hereby designated as the newspaper in which this order shall be published once a week for four consecutive weeks.

WITNESS my hand and seal of this Court, this 5th day of November, A. D. 1945.

Special Picture For Bond Premiere

Malcolm Millar, chairman of the Pahokee-Canal Point Victory Loan Drive announces that the Prince Theatre has secured "Thunderhead", which is a companion picture to "My Pal Flicka", starring Roddy McDowell and Rita Johnson, with a huge cast of featured players, for a special Victory Bond premiere.

The picture is to be screened at eleven o'clock on the night of Friday, November 30th. Price of admission will be one Victory bond of any price, purchased during this drive from any issuing agent in the Everglades.

If you have purchased a bond but have not been able to get a ticket to date, it will only be necessary to bring a bond purchased during October or November to secure a ticket free.

Capt. Spider Lindrose is on his way to Pahokee, according to word received by relatives. It is not known when he will arrive.

Ed Jensen, a member of the Seabees, is expected to arrive at his home in Pahokee by December 1, according to word received by his relatives.

Jack Waldschlager, who is employed in Miami, recently spent a few days in Pahokee with his parents, Mr. and Mrs. Harry Waldschlager.

War Memorial Auditorium Is Plan

The first of Palm Beach County's major post-war projects—a War Memorial Auditorium to perpetuate the memory of those who sacrificed their lives in World War II moved swiftly through the organization stage during the past week.

Col. Harry A. Johnston, of West Palm Beach, himself a veteran of two world wars, who accepted the chairmanship of the campaign committee, virtually completed the personnel of the group which will guide the campaign throughout the county during the first two weeks of December when the drive for \$400,000 will take place.

The group, made up of more than a score of prominent Palm Beach Countians, will carry the campaign to every community in the county thus supplementing the efforts which will be made by local city and town organizations which will be set up within the next week or two. It will be a campaign in which everyone in the county, Col. Johnston said, will have a part.

Mrs. J. V. Fourmy returned to her home in Fellsmere Wednesday after spending a week in Canal Point as the guest of Mr. and Mrs. W. H. Vann. Mr. Fourmy came for her.

It Is Not The Atomic Bomb We Have To Fear, But Ourselves, Russell Kay Thinks

From all reports the destructive force of the recently discovered atomic bomb is so great that it staggers the imagination. Scientists tell us that those dropped on Japan, as devastating as they were, might be compared as a capitol to a cannon, were the real power of this fearful weapon brought into play by the use of larger bombs, which they readily admit, could easily be produced.

We are told that through its use, whole nations could be destroyed in a matter of hours, civilization wiped out and mankind left a pitiful remnant. So sinister is its promise, if employed for evil, that no living thing anywhere on this earth may ever again feel safe or secure.

It isn't a very pretty picture and gives every thinking person ample cause for alarm. Beside this monstrous instrument all other implements of war fade into insignificance.

But in reality the atomic bomb itself is quite harmless. As powerful and terrifying as it appears it is utterly incapable of doing anyone the slightest harm unless man himself by his own deliberate action wills it so.

So it is not the bomb we have to fear, but Ourselves. More terrible and dangerous than the atomic bomb or any other destructive instrument man may construct is the unbridled power of thought that dwells in the mind of man for it is such thought that led to the discovery of the bomb itself and it is the thoughts that will arise in the minds of men that will determine his own future.

If world leadership insists on clinging to hate, greed and a lust for power, if world leaders practice deceit and cunning, breed distrust and suspicion, spar for personal advantage and selfish gains and fail to bring about the establishment of a new world order in which all nations large and small may live as friends and neighbors, each concerned with the welfare of the other and each contributing to the maintenance of peace and prosperity, then the danger of atomic energy becomes a horrible thing to contemplate.

While the sword of destruction hangs over our heads, it seems that we still haven't learned our lesson. Instead of the peace we fought to attain we see the war continuing with fighting breaking out at new points almost daily. Even those nations that fought as Allies now view each other with distrust and apprehension.

We may draw up charters, write treaties, arrive at diplomatic agreements but they still remain mere scraps of paper. Our only hope lies in the establishment

of international law that can reach not only every nation but every individual and back such international law with a world police power that is world wide in scope and recognizes no national borders but can step in and enforce the peace when international law is trespassed, punishing the individuals responsible, just as in this country today the FBI steps in to arrest those individuals who break our national laws.

Such a police force maintained on the same high plane as the FBI and given the atomic bomb and such other instruments of defense and protection as it might need to maintain world peace would cause troublemakers to think twice before starting anything.

For example if such a world police force were now established, both Chiang Kai-shek and his opposing Communist war lords could be told to quit horsing around and behave themselves Or Else. One or two atomic dealt impartially on both sides in the interest of law, order and world peace would have what was left of the warring factions loving each other and no foolin'.

Once all nations and all individuals in those nations knew that swift and sure punishment would follow any breach of international law and a lot of guys that are now running around with rifles and

hand grenades would be at home doing their fall plowing.

Some folks say "how you gonna do it, you can't ever get all the world to accept one philosophy or one creed?" Maybe not. But we've done a pretty good job of it in this country, just about every nationality and every creed is found in our metropolitan centers and they all live together in peace, for they know that if they don't old John Law District, Municipal, County, State or Federal will descend on them and see that they do.

Maybe we'll find the answer and maybe we won't, but if we don't and soon, some youngster on a more advanced planet will point to the sky and say "Look, Mama, a shooting star"—and that will be US. Think it over.

Births

Mr. and Mrs. S. G. Burns of Canal Point are the parents of a daughter, born Nov. 11, at St. Mary's hospital in West Palm Beach. She has been named Gloria Gail.

Mr. and Mrs. Max E. Beverly of Pahokee announce the birth of a son, Ken Boynton, at the Everglades Memorial Hospital on Wednesday, Nov. 14.

Mr. and Mrs. E. E. Bishop, former Pahokee residents now living in West Palm Beach, announce the birth of a son at Good Samaritan Hospital on Thursday, Nov. 8.

Mr. and Mrs. W. P. Jernigan, Sr., of Tallahassee, are the guests this week of Mr. and Mrs. W. P. Jernigan, Jr., in Canal Point.

The first consignment of six

pure-bred American bulls sent to Greece by the Near East Relief Foundation, a participating service of the National War Fund, are being used to replenish the war-depleted livestock of that nation.

YOUR SUPPLY LINE

During the war the railroads proved to be the nation's main supply line. In addition to handling 97% of the organized troop movements and 90% of the military freight, they were able to effectively serve the home-front too.

Most of the food for your table, and countless other things you used, were brought to your community by rail.

In spite of the greatest war in history, you continued to enjoy the American way of life, with most of its comforts and conveniences.

chiefly because of your railroad's ability to deliver the goods.

Now over this supply line will flow the mounting cargoes of peace — new household equipment, building materials and supplies, farm machinery, equipment for new industries — things upon which future employment and prosperity will depend.

Thus your railroad supply line becomes an important factor in speeding the transition from war to peace.

FLORIDA EAST COAST RAILWAY

A Florida Industry and Institution

HOME From The WAR

Harold Wilkinson, son of Mr. and Mrs. J. H. Wilkinson, sr., of Pahokee, has returned to that city after having received his discharge from the Army. Wilkinson a graduate of the Pahokee High school and also the University of Georgia where he finished as a ROTC student, has been in the service three years and two months. He has been stationed at

Fort Riley, Kan., a cavalry replacement center, and received his discharge there.

Ellis Wilkinson, his brother, who served in the Pacific area for two years, also has been discharged under the point system. He was in combat for 59 days on Bougainville, and also saw action on Guam where he was wounded. He wears the Asiatic-Pacific campaign ribbon, several battle stars, and the Purple Heart medal. He has been in the service for three and a half years.

Gordon Hillier, SC-2c, is back at

his home in Pahokee after serving nearly four years attached to the Seabees. The major part of the time Gordon spent in the Pacific. He was in the invasion of Okinawa—one of the hottest spots in the Pacific. He participated in three major engagements. He received his discharge at Jacksonville on Nov. 13.

Sgt. Morris H. (Frock) Baxter, who has been overseas a year and a half, is on his way home according to word received by his wife in Pahokee. Sgt. Baxter has been in the service two and a half years.

Lt. Carl Thompson, former athletic coach for the Belle Glade High school and a resident of Pahokee since childhood, is reported in the States again after one and a half years in the Pacific. Lt. Thompson, a graduate of the Pahokee High school and Rollins college, has been in the service for three years.

Pfc. Harry Sheppard, son of Mr. and Mrs. Tom Sheppard of Pahokee, is spending a furlough with his family after several months in the Pacific theatre of war. Sheppard, who is stationed at the Oliver General hospital in Augusta, Ga., for medical treatment, slipped on the wet pier at Palm Beach Tuesday while fishing with a party from Pahokee and cut a gash in his head.

Louper Houston, fireman first class in Uncle Sam's Navy, received his discharge on Nov. 10. He was aboard the U. S. S. Wisconsin and saw action at Okinawa. He is in DeFuniak Springs, Fla., with his family for a rest and will

come to Pahokee in the future where he plans to work.

Lt. Maye Arrington and her brother, Pfc. Lawrence Arrington, formerly of Pahokee, have returned to Miami after visiting Mr. and Mrs. Sam McKinstry, sr., of Pahokee. Pfc. Arrington has just returned from Germany, where he was a prisoner of war 11 months. He had been in the service four years and seven months and recently received his discharge. He will make his home in Fort Lauderdale with his brothers.

Mrs. Thomas Elliott was a business visitor in Tampa on Tuesday of this week.

Sandra Rogers Has Birthday Party

Mrs. W. H. Rogers entertained at the Woman's Club on Thursday afternoon of last week with a party honoring her daughter, Sandra, on her fourth birthday anniversary. As party favors paper hats and baskets of candy were presented to the guests. Games and contests were played with Dennie Padgett winning the first prize in the donkey tail pinning contest. Approximately 60 children were invited guests.

She can now tell you...

"We Have Turned The Corner"

She is a telephone service representative and from now on her story is more cheerful. New switchboards, cables, wire and telephones needed to provide more service are becoming available in increasing volume.

But to catch up on held orders for service and to make replacements that were necessarily postponed during the war will require very large additions to our telephone plant.

It is a tremendous construction job that will require much time to complete even after the delivery of equipment by the manufacturers. So she cannot promise just when all orders will be filled. There are places where we have complicated switchboards to install, even places where we must build new buildings or building additions to house new switchboards.

But she can say that we are on our way to give service to all who want it—on our way to restore Bell System standards of service and raise them even higher.

SOUTHERN BELL TELEPHONE AND TELEGRAPH COMPANY
INCORPORATED

"HERE'S WHY..."

1. They pay for the care and cure of our wounded... supply the finest of medical aid. They help to bring our boys back home... to pay for all the colossal cost of Victory.

2. Held by millions of Americans, Victory Bonds will provide a solid reserve of buying power to assure steady jobs for veterans.

3. Buying Bonds rather than scarce goods helps keep the lid on prices... prevents inflation and its follow-up of depression.

4. Bonds form a reserve for future repairs and replacements... for modern buildings, improved stock, better homes.

5. They hold dollars in store to pay for our children's education... right on through college.

6. E Bonds return \$4 at maturity for every \$3 you invest.

7. They give security to enjoy later years with peace of mind.

Life On The Campus

AT PAHOKEE HIGH SCHOOL

The students welcome James Haymons to the ninth grade this week. They miss Jack Crocker of the eleventh grade, now making his home in Delray Beach Florida.

Mrs. McIntosh substituted for Mrs. Harlow recently.

Mr. Williams, a representative of Herf-Jones Company, met with the Seniors Tuesday to display invitations and cards. Later the Juniors assembled to choose their class rings. For the first time in

several years, Mr. Williams could offer a ring with an onyx. Other stones will not be available for several years since the supply came from Germany.

Postponed! Florida weather now don't say a word—at least, until you have read Mark Twain's "New England Weather", caused the physical education classes to postpone the exhibition planned for PTA Monday evening.

The Junior Classical League, because of a conflict with the FFA chapter, postponed their meeting until Monday, November 19.

Edna Cowart was awakened at five AM when her brother Albert came in from the Pacific Coast. To add to the family's pleasure,

a few days later Edwin returned to the states and promised that he would be home soon.

The pleasant smile on Juanita Corbett's face is even more joyous now that her brother is home again. Juanita brought a pair of chopsticks to show her classmates and teachers.

R. O. Lampi, Band Clinic Chairman, will be in Tampa next week for the Florida State Music Clinic. Members of the Pahokee band accompanying Mr. Lampi and taking part in the state activities are: Eddie Hodges, Ray Hawk, Ray Hutton, Frank Rozelle, and Billy Rawls.

The ridiculous garb—hats perching comically over one eye, shirts buttoning down the back, ties dangling in front, short trousers advertising their worn condition with red patches, mis-matched socks and shoes—proclaimed thirty-six high school boys "Green Hands" of the Future Farmers. They carried baby bottles with water or fruit juice. The title, "Green Hands", suggests inexperienced workers; and, from the picture, the Future Farmers seem to be having the same difficulties as Farm Employers. However, their name also suggests the "Green Thumb" attributed to successful growers, and without a doubt they will join the more than eighty full-fledged members in successful personal, school, and community projects.

Copies of Life magazine covering a period of several years were presented to the Library for the permanent files by Mrs. R. P. Fletcher and Mrs. T. C. Richardson. These will replace badly worn copies.

According to Mrs. Frank Colson, there are 33 magazines, or periodicals, received regularly by the library covering every phase of school activity and student interest. Covering the A's, B's, and C's only, a student finds: Air Trails, The American, The American Home, American Poultry Journal, The Atlantic Monthly, Better Homes and Gardens, Boy's Life, The Field and Garden, Childhood Education, Classical Outlook, Congressional Digest, Consumers' Research Bulletin, and Current History. An interesting assortment already — almost too interesting thinks the student who goes to the library for reference work, takes a magazine off the shelf for a glimpse, but loses himself in some interesting articles or stories for the period.

Two seventh grade science classes, accompanied by their teacher—Mrs. Nason, visited the Pahokee water plant. There, they learned the source of their water, process of purification, method of settling, and system of pumping.

Rose Marie Henderson Has Birthday Party

Mrs. Vinson Henderson entertained Friday afternoon of last week with a party honoring her daughter, Rose Marie, on her eighth birthday anniversary. Refreshments of ice cream, cake and candy were served to the guests by the hostess.

During the playing of games and contests, prizes were won by Judy Starling, Judy Chandler and Fay Mackey. Others attending were Phoebe Ann Ransy, Marcia Jean Guthrie, Joyce Lynn Hurt, Joyce Mills, Bobbie and Carol Jacobs, Kay Mizell, Sandy Rogers, Bobby Ferguson, Carol Ann Mullis, Geraldine Tibbetts, Gaye Swain, Patricia Folsom, Eugene Henderson, Jeff Thomas, Harry Swain, Jr., Eddie Vertommen, Don Acre, Don Beverly, Donald Wayne Edwards, Howard Pugh, Sonny Ferguson, Roger Watson, Allan Segree, Susan Scheel, Ray McQuaig, James Lowman, Brenda Carter, Roland Todd, Jr., Lynne Spooner, Mrs. W. H. Rogers, Mrs. H. A. Siebenmorgen, Mrs. J. B. Mizell, Mrs. Cauley Watson, Mrs. Melvyn Pugh, Mrs. Fedora Edwards, Mrs. Julia Stewart, Mrs. Freida Clark, Mrs. Arthur Spooner, Mrs. H. L. Carter, Mrs. Roy Scheel, Mr. and Mrs. J. W. Rogers, Mrs. Doyle Worth of Clewiston and Mrs. Robert Folsom of Lake Harbor.

GOSH, ONLY A PENNY!

Once a penny was a fortune to a six-year-old. It could buy yards of licorice shoestrings, an all-day sucker, or a syrup-smothered scoop of shaved ice. A penny would pay for marbles, a tin whistle, or even a little lead soldier. It was the ceiling price for a new top-string.

Nowadays, a penny won't buy much for a little boy. But it purchases a lot of labor-saving electricity.

Sonny may sniff at a penny for running an errand—yet that same penny will (at average household rates) do any of these jobs—

- Run a sewing machine all afternoon
- Keep a refrigerator cold for 4 hours
- Vacuum clean 10 large rugs
- Light a 50-watt bulb for 6 hours
- Run the washer for 6 tubs of clothes
- Give you the correct time for 7 days
- Keep a radio playing for 3 hours

Yes, a penny is still big money—electrically. Actually, the average family gets just about twice as much electricity for its money as it did 15 years ago. Keeping electric service cheap, friendly and dependable—even all through the war—is a tribute to the careful business management of your electric company, and to the hard work and experience of all the men and women in it.

Meet NELSON EDDY in "THE ELECTRIC HOUR" with Robert Armbruster's Orchestra. Every Sunday afternoon, 4:30, 257, CBS Network.

A POLICYHOLDERS COMPANY

ONE reason folks like to do business with the Jefferson Standard Life Insurance Company is that it has a reputation of being "A Policyholder's Company" . . . based upon years of effort directed toward providing maximum benefits to meet the life insurance needs of policyholders and beneficiaries.

Jefferson Standard serves over 200,000 persons who own over \$525,000,000 of Jefferson Standard Life Insurance protection. There is a Jefferson Standard "Planned Protection" program to cover every life insurance need. For more details at no cost, call or write today.

CLEWISTON

Ideas Exchanged By Sun. School Workers

On Tuesday night, November 13, the officers and teachers of Baptist Sunday Schools around the lake enjoyed a very successful meeting of business together in the Canal Point Baptist Church. At this program teachers and officers exchanged ideas for successful Sunday School work and the denominational activities were coordinated. The Churches represented were all represented well and many expressed their sincere liking for a meeting of this nature.

Such a meeting is a monthly affair of Baptist officers and teachers around the Lake, and it is hoped that next month, December 6, a banquet will be held in the Clewiston Inn at Clewiston for all teachers, officers, and Sunday School pupils who have received at least one Sunday School award in the Sun. School Training Course.

Have Few Discharge Service Flags Left

We still have a few of the handsome "Honorable Discharge Service Flags" left at our office in Canal Point. This beautiful discharge flag has been authorized by the War department and can be seen on display in the window of The Everglades News. If you want one—you'd better get your name in the pot right away while the supply lasts. The price is \$1.00.

Three Commissioners Favor The duPonts

On motion of C. Y. Byrd and seconded by Lake Lytal, with Chairman John Prince voting with them, the county commissioners went on record Monday as favoring the duPont interests as ultimate owners of the Florida East Coast Railway.

Paul Rardin, commissioner from the Glades where opinion is sharply divided over the matter, did not cast a vote on the resolution and qualified his action with the statement that "he was not well enough informed on the future of Florida to know which would be better." Commissioner A. A. Poston from the north end of the county was in Washington on business and did not vote.

Cows To Be Tested Saturday For TB

Dr. H. J. Buehler, county veterinarian, will be in Canal Point and Pahokee on Saturday of this week to test cows for TB and Bangs disease. Those in Canal Point who want their cows tested are asked to leave their names at Dow Geiger's grocery store before 9 a. m. Saturday. In Pahokee names are to be left at the city clerk's office or with the chief of police, Albert Gant. Owners are asked to pen their cows on that day if they are to be tested.

C. E. Chillingworth Returns As Judge

Circuit Judge Curtis E. Chillingworth, on leave to the Navy since June 1942 from his post as senior judge of the 15th Judicial Circuit, has been discharged from the Navy and resumed his duties on the circuit court bench in West Palm Beach Tuesday morning.

Judge Chillingworth, who held the rank of commander, was separated from the service in Jacksonville Thursday and is now at his home in West Palm Beach with his wife and three daughters, 211 Dyer Ave.

A veteran of World War 1, he served during this war as legal and public relations officer on the Naval Air Operations Training Command staff of Adm. Andrew C. McCall, chief of Naval Air Operational Training in Jacksonville for many months; went to England with the admiral when the latter became commanding officer of Fleet Air Wing 7; and earlier this year, was attached to the staff of Fleet Air Wing 2 in the Pacific. He holds the Bronze Star.

Judge Chillingworth's return will make two resident circuit judges in West Palm Beach. Judge Joseph S. White will remain on the bench in West Palm Beach.

Class Wants 75 In Regular Attendance

A campaign is under way by The Pahokee Men's Bible Class to bring up its average attendance to seventy five. Membership Vice President Elsworth Keen is directing the drive. The present average attendance is about sixty. A victory banquet will be served in the very near future to all the members and friends of the class. Social Vice President O. W. (Big Boy) Giddens is getting things under way. A special musical program under the direction of Song Leader R. Cowart will make up part of the program.

This Sunday the teacher Rev. C. A. Moberg will present the lesson, "The Outreach of the Church". The Class Quartet, Messers. Wood, Cowart, Spooner and Butler with Gray Sanders at the piano will sing two selections. A most cordial invitation is extended to all unaffiliated men of the community, visitors and service men. Mr. Lawrence Jaudon is the president. The class meets each Sunday morning at 9:45, Lions' building. Messers. Elmer Jones and 'Windy' Willis will be at the door as official greeters.

CARD OF THANKS

We wish to thank the many folks who were so kind to us following the recent fire which destroyed so many of our household effects. We will always remember the many acts of kindness on the part of our neighbors.

RECENT OPERATIONS

By Paul Rardin

Spessard Holland, Florida's most popular ex-governor, spoke in West Palm Beach Monday at an Armistice Day celebration. The weather interrupted the parade and the scheduled gathering in Flagler Park but hundreds of the ex-governor's friends gathered in the Florida theatre to hear his address. To say that this speech was warmly accepted is putting it mildly. His appearance brought forth the friendly remarks one usually hears at a Holland gathering. His candidacy for United States Senate is gathering impetus daily and opposition seems to fade with nearness of the election.

Folks in the Glades will be glad to know that present plans call for rebuilding of Connors highway east from Canal Point soon. The contractor, John A. Benton of St. Petersburg, was in Canal Point Wednesday. He said that work would start in 15 to 20 days. The contract calls for rebuilding the shoulders, adding limerock and a bituminous surface on 5.4 miles of the highway.

Bean picking prices have gone sky-high. Some of the growers are growing because the price is

too high. Then one wonders who pays the high prices?

If you have a service man back in your home and we haven't had an item about him in our "Back from the War" column—please sit down right now and tell us about it. When was he discharged? Where did he spend the majority of his time? What ribbons decorate his chest? And any other things you think we should know to write an interesting paragraph about him.

Mrs. Stanley Renamed President Of WSCS

Mrs. Ralph Stanley was re-elected president of the Pahokee Methodist Woman's Society of Christian Service at a meeting at the church Monday afternoon.

Other new officers elected by unanimous vote were Mrs. Al Beverly, vice president; Mrs. W. E. Pope, recording secretary; Mrs. Lloyd Hundley, corresponding secretary; Mrs. C. C. Cruthird, treasurer; Mrs. J. M. Elliott, secretary of Christian social relations and local church work; Mrs. Arch Blakey, children's work secretary; Mrs. J. A. Dulany, student work secretary; Mrs. B. Elliott, youths

work secretary; Mrs. T. L. Burns, literature and publications secretary; Mrs. H. J. Anderson, supplies secretary; Mrs. T. A. Ferguson, spiritual life secretary and Mrs. R. J. Schroder, missionary education secretary.

'Named on a committee to take a religious census in the community were Mrs. J. V. Thomas, Mrs. J. M. Elliott, Mrs. C. A. Shives, Mrs. I. W. Weeks, Mrs. Ralph Stanley, Mrs. H. C. Graham, Mrs. O. D. Carpenter, Mrs. Duncan Fadgett, Mrs. T. L. Burns, Mrs. C. Cruthird, Mrs. Arch Blakey and Mrs. Ben S. Waring. It was announced that a religious book shelf was being installed in the social hall of the church for use by members of the WSCS and the young peoples department.

Mrs. Stanley appointed Mrs. Burns, Mrs. Schroder and Mrs. Weeks on a committee to send Christmas greetings to church members in the service or in colleges.

A contribution of \$25 was voted to Wesley House in Key West. WSCS life memberships were voted to Betty Jo Phillips and Dorothy Patton, Mrs. R. F. Renfrow of Fayette, Ala., was introduced as a guest. Mrs. R. J. Schroder was in charge of the devotional program.

The Alexander Hamilton Institute estimates that there is a market for between nine and ten million new automobiles after

making a national survey to determine number of cars in use and number scrapped since production of private cars was discontinued.

ATLANTIC COAST LINE RAILROAD

SERVING AMERICA'S NEW FRONTIER

The South Welcomes Them.

THE postwar readjustment period will bring new blood to the South. Many young men from other sections who received their training in southern camps will return and make their permanent homes in the South.

They have discovered the South. They were charmed by the South's congenial climate and the quiet, easy manners of its people. They saw with their own eyes fertile lands that will produce a variety of year-round crops. They saw in the pasture lands, which provide green grazing two-thirds of the year, wonderful dairy possibilities.

They were impressed by the fact that egg production and poultry raising are at the peak in midwinter when these products of the farm are at the lowest ebb in the colder climates.

golden harvest from the egg and poultry industry, is 3,000 miles from the big markets of the east, while the average distance from the South to these markets is less than a thousand miles. Quick transportation will put fresh vegetables on eastern dinner tables 24 hours after the vegetables are gathered.

Every acre of fertile land in the South is an inexhaustible diamond mine, but the diamonds are in the form of rich sub-soils which will produce a variety of crops twelve months in the year.

Today the South is the brightest and most promising section of the nation. In an economic sense, the South has turned its face away from the past and is viewing the future with hope and confidence.

The South will welcome these young men who have the vision to recognize and appreciate its possibilities. ***

Editorial from THE DILLON (S. C.) HERALD
